

The Kite Runner Final Project

Points: 80

Due Date: Wednesday 25/Thursday 26, 2015

*If you are doing option one or four please let me know by the end of class, so I can plan accordingly.

1. In a group (no more than 4), select a chapter or scene to dramatize. Write a script, design costumes and props, and perform for the class or video tape it. Scripts will be turned in and video presented to the class.
2. Write a series of letters between any two characters. You should have letters from both sides and a minimum of 4.
3. Make a kite and draw symbols from the book to decorate your kite. Include a typed analysis of each symbol. You should have at least 4 symbols with a paragraph for each.
4. Research an aspect of Afghan culture and present to the class. Include a visual such as a poster or travel brochure. This can be done individually or with a small group (no more than 3). Length is dependent upon group size, figure approximately 2-3 minutes per person. Notes, copies of slides, or any other resources/visual aids will be turned in on the due date.
